EXTERNAL SENDER

Good afternoon, Ms. Barton and Mr. Martinez,

Our office conducted a thorough search of records maintained by the Office of Representative Persons-Mulicka, including any records on devices, accounts, and networks used for official business. This search did not yield any responsive records to the attached request.

Please note that the Florida House Office of Open Government will separately conduct a search of House email and House server records and will reach out directly to report the findings of their search.

Absent any additional information or a revised request, our office will consider this request closed.

Thank you,

Kevin Vilorio
