Ms. Stark:

The Office of the Secretary of State received your open records request on February 19 in which you request:

> *A complete copy (including any attachments) of all contracts or subcontracts, amendments, inter-governmental service agreements, memoranda of understanding, or other written agreements between the Kentucky Secretary of State and other state governments, including agencies from other states and/or coalitions of multiple states, regarding the sharing of voter data and/or EleXa.*

Under the Kentucky Open Records Act, the right to inspect public records is limited to Kentucky residents. You must include with a request a statement that you are making the request as a resident of the Commonwealth. KRS 61.872(2). Therefore, your request is denied.

This response completely and adequately fulfills this agency's obligations under the Kentucky Open Records Act.

Sincerely,

Jennifer S. Scutchfield
