EXTERNAL SENDER

Hello American Oversight,

There are no responsive documents for this SEBORR26-059.

I was hoping to have a final response by Friday afternoon, but I didn't get one until later.

There were a lot of text messages reviewed for the date of January 28th, 2026. Other than text messages that are exempt from production for cases under current investigation, per O.C.G.A. § 50-18-72(a)(4), there was no other State Election Board information passed along that day.

This closes case number SEBORR26-059. This case required 4.25 hours' worth of work to complete. There are no extra charges.

Kindest Regards,

State Election Board
