FDA-FOIA-2026-2765-OES-1

This information pertains to your requests 2026-2765 through 2026-2770

I met with the Mallika Mundkur yesterday to better understand the Commission's Priority Voucher Program. She said that the link below was prepared for both internal and external stakeholders alike in an effort to be equally transparent across the board.

Commissioner's National Priority Voucher (CNPV) Pilot Program | FDA

There will be a public hearing on June 4th. It will be available for in person (FDA's White Oak campus) and virtual attendance. Mallika will be speaking at the hearing. Please email me directly at sara.ashton@fda.hhs.gov if you would like more information on the hearing.

We will continue working on other parts of your request in the meantime.

Thank you,

/S
