EXTERNAL SENDER

Good morning Mr. Sparks,

This is in response to your Freedom of Information Act (FOIA) request dated 24 Marcy, 2026, and assigned case number 2026-03781-F, where you seek the following:

> All inspection reports prepared and/or received by the U.S. Air Force regarding any military base serving as an immigration detention facility (including, but not limited to, Joint Base McGuire-Dix-Lakehurst), including, but not limited to, reviews for compliance with detention standards.
> All official and unofficial incident reports submitted to the U.S. Air Force regarding conditions and/or treatment at any military base serving as an immigration detention facility (including, but not limited to, Joint Base McGuire-Dix-Lakehurst), including, but not limited to, access to legal counsel and representation, access to healthcare, spread of infectious disease, food and water quality, conditions of confinement, and use of force.
> All official and unofficial complaints submitted to the U.S. Air Force regarding conditions and/or treatment at any military base serving as an immigration detention facility (including, but not limited to, Joint Base McGuire-Dix-Lakehurst), including, but not limited to, access to legal counsel and representation, access to healthcare, spread of infectious disease, food and water quality, conditions of confinement, and use of force.
> All records reflecting policies, procedures, and protocol—both formal and informal—prepared by, received by, or otherwise in the possession of the U.S. Air Force regarding immigrant detainees at military bases (including, but not limited to, Joint Base McGuire-Dix□Lakehurst) making and/or submitting complaints regarding their treatment or other conditions of confinement

Our review included consideration of the "Foreseeable Harm Standard."??Because the installation has not had immigration detainees, a no records response is required.?
