FOIA Request **26-16853-F**

June 9, 2026

Melanie Sloan
1030 15th Street, NW
Suite B255
Washington, DC 20005
foia@americanoversight.org

Dear Ms. Sloan:

This is the initial agency decision (IAD) response to your April 2, 2026, request under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, submitted to the Department of Veterans Affairs (VA), Veterans Benefits Administration Central Office (VBACO) FOIA Office requesting the following records:

In summary, you have requested the following information:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the officials listed below to any email address ending in .com, .co, .us, .net, .org, .mail, .edu, .law, .legal, .ch, .me, .group, .vc, and/or .io from January 1, 2026, through the date the search is conducted.
VBA Officials:

a. Sandra Flint, Acting Principal Deputy Under Secretary for Benefits
b. Brandye Terrell, Chief of Staff
c. Teri McClelland, Deputy Chief of Staff

Your request was received in this office on April 3, 2026. Your FOIA request was assigned tracking number 26-16853-F. Please include the tracking number in all future communications concerning this FOIA request.

Your request was sent to the Program Analyst for the Office of Information and Technology (OI&T) for a search to be conducted. The Program Analyst conducted a search of Microsoft 365 and Teams utilizing the criteria of, “All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the officials listed below to any email address ending in .com, .co, .us, .net, .org, .mail, .edu, .law, .legal, .ch, .me, .group, .vc, and/or .io from January 1, 2026, through the date the search is conducted.

AMERICAN OVERSIGHT

VBA Officials: a. Sandra Flint, Acting Principal Deputy Under Secretary for Benefits b. Brandye Terrell, Chief of Staff, c. Teri McClelland, Deputy Chief of Staff," as stated in your request. At the conclusion of the search, we were provided with 3 attachments, consisting of 46 pages that have been deemed responsive to your request.

Our review of the documents revealed that they contained information that falls within the disclosure protections of FOIA Exemption 6, U.S.C. § 552 (b) (6). We are withholding 21 pages in full under FOIA Exemption 6, U.S.C. § 552 (b) (6).

FOIA Exemption 6 permits the VA to withhold a document or information contained within a document if disclosure of the information would constitute a clearly unwarranted invasion of a living individual's personal privacy. Stated another way, VA may withhold information under FOIA Exemption 6 where disclosure of the information, either by itself or in conjunction with other information available to either the public or the FOIA requester, would result in an unwarranted invasion of an individual's personal privacy without contributing significantly to the public's understanding of the activities of the federal government.

Specifically, the information we are withholding under FOIA Exemption 6 consists of the email addresses, signatures, digital signatures, phone numbers, household goods tracking number, and all information relating to the spouse. The foreseeable harm of the release of this information is that it would reveal private information, also we are withholding the names and any other information related to individuals referenced in the responsive information, as there is a high probability that that someone could contact the individuals to harass, retaliate, and expose their private life to public scrutiny.

The coverage of FOIA Exemption 6 is absolute unless the FOIA requester can demonstrate a countervailing public interest in the requested information by demonstrating that the individual is in a position to provide the requested information to members of the general public and that the information requested contributes significantly to the public's understanding of the activities of the Federal government.

Additionally, the requester must demonstrate how the public's need to understand the information significantly outweighs the privacy interest of the person to whom the information pertains. Upon consideration of the materials provided, we have not been able to identify a countervailing public interest of sufficient magnitude to outweigh the privacy interest in this case. The individuals associated with this information have a personal privacy interest in the information that outweighs any public interest served by the disclosure of their identities under FOIA. Consequently, we are denying your request in part for this information under FOIA Exemption 6, 5 U.S.C. § 552 (b)(6).

If you disagree with this granted in part under FOIA (b)(6), please be advised that you may appeal to:
