Re: Public Records Law Request

Dear Records Custodian:

Pursuant to the Louisiana Public Records Law, La. Rev. Stat. Ann. 44:1 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records within three business days:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) any of the officials listed below, and (b) any of the external entities listed below, and (c) containing any of the key terms listed below, **from January 1, 2026, through the date the search is conducted.**

Office of the Attorney General Officials:

a. Liz Murrill, Attorney General
b. Larry Frieman, Chief Deputy Attorney General
c. Benjamin Aguiñaga, Solicitor General
d. Caitlin Huettemann, Assistant Solicitor General
e. Ellis Roussel, Communications Director
f. Stormy Hambrice, Chief of Staff

External Entities:

a. The Food and Drug Administration ("@fda.hhs.gov")
b. The Department of Health and Human Services ("@hhs.gov")
c. The White House ("who.eop.gov" or "whitehouse.gov")

Key Terms:

i. "abortion drug"
ii. "abortion medication"
iii. "abortion pill"
iv. "chemical abortion"
v. "in person dispensing"

vi. "in-person dispensing"
vii. "medication abortion"
viii. mifepristone-induced
ix. "Risk Evaluation and Mitigation"
x. "shield law"
xi. FAERS
xii. mifeprex
xiii. mifepristone
xiv. misoprostol
xv. REMS
xvi. "Louisiana v. FDA"
xvii. "LA v. FDA"
xviii. "Florida v. FDA"
xix. "FL v. FDA"
xx. "Missouri v. FDA"
xxi. "MO v. FDA"

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. For example, if a specific individual received a mass-distribution news clip email containing the term "mifepristone" from a listed external email entity, that initial email would not be responsive to this request. However, if that specific individual forwarded that email to another individual with commentary, that subsequent message would be responsive to this request and should be produced.

Fee Waiver Request

In accordance with La. Rev. Stat. Ann. 44:32(C)(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request is appropriate, because American Oversight's use of the requested records "will be limited to a public purpose."

This request is made solely for a public purpose. The public has a significant interest in mifepristone's safety as well as any potential adverse effects of this medication.[1] Records with the potential to shed light on this issue would contribute significantly to public understanding of government operations, including whether and to what extent the Attorney General's office has communicated with federal health officials and external

organizations regarding a safety study of mifepristone.[2] American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

Furthermore, this request is made for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).[3]

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.[4] Examples reflecting this commitment include the posting of records related to the first Trump Administration's contacts with Ukraine and analyses of those contacts;[5] posting records and editorial content about the federal government's response to the COVID-19 pandemic;[6] posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the first Trump administration's proposed construction of a barrier along the U.S.-Mexico border, and

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. conducted on private email accounts and devices are public records subject to the Public Records Law.[10]

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005.
