In reply refer to file: FDA-FOIA-2026-5436-CBER-1

Dear Mr. Martinez,

This is in reply to your Freedom of Information Act request dated June 1, 2026 in which you requested "All records reflecting actual, estimated, or projected expenditures, costs, and/or budgets associated with Vinay Prasad's travel, including, but not limited to, his use of FDA resources and/or funds for air transportation, ground transportation, and security details relating to his commute between California and FDA's White Oak campus in Maryland. 5 To the extent your office has aggregated records sufficient to show all relevant expenses and costs, such as spreadsheets, American Oversight would accept production of such records as sufficient. To the extent your office does not have an aggregated record of these costs, American Oversight requests records reflecting these costs, such as receipts, invoices, charge card or credit card statements, and reimbursement requests. 2. Records reflecting all reimbursements Vinay Prasad has paid the U.S. government for personal use of FDA travel resources, including but not limited to, air transportation, ground transportation, and security details relating to travel. For both parts of this request, please provide all responsive records from May 1, 2025, through May 1, 2026." Your request was received in the Center for Biologics Evaluation and Research on June 2, 2026.

Enclosed are the responsive records to your request.

We have withheld portions of pages under Exemption (b)(6), 5 U.S.C. § 552(b)(6). That exemption protects information from disclosure when its release would cause a clearly unwarranted invasion of personal privacy. FOIA Exemption 6 is available to protect information in personnel or medical files and similar files. This requires a balancing of the public's right to disclosure against the individual's right to privacy.

In determining to withhold such information, FDA considered 5 USC 552(a)(8)(i), when applicable, and whether FDA reasonably foresees that disclosure of such information would harm an interest protected by the relevant exemption(s) and whether disclosure is prohibited by law.

In accordance with 45 CFR § 5.61 and 21 CFR § 20.41(b)(5), you have the right to appeal this determination. Your appeal should clearly identify the agency determination that is being appealed. It would be helpful if you provide specific reasons explaining why you believe the agency's adverse determination should be reconsidered. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency's decision. Your appeal must be mailed within 90 days from the date of this response, to: Director, Office of Management Enterprise Services, U.S. Food & Drug Administration 5630 Fishers Lane, Room 1050, Rockville, MD 20857, or emailed within 90 days from the date of this response to FDAFOIA@fda.hhs.gov. Please clearly mark both the envelope and your letter "FDA Freedom of Information Act Appeal." Items arriving or delivered after 5 p.m. Eastern Time will be deemed received on the next workday. If you would like to discuss our response before filing an appeal to attempt to resolve your dispute without going through the appeals process, please contact Charis Wilson at 240-402-9116.
