EXTERNAL SENDER

Hello American Oversight,

Thank you for your patience with this request. The only information redacted on these attachments are email addresses. For one of the emails, "14APR2026_Redacted", Ms. Davis's username/email name was listed instead of her name. On the "JJ.01APR2026_Redacted" email, everyone, except for 1 individual, is listed by name in the header, but1 individual is listed by their email address, so it was redacted. All redactions were made per O.C.G.A. § 50-18-72(a)(20)(A).

I'm awaiting confirmation from the Board Members that they've searched their personal email accounts for information. I hope to have a response back to you soon. Please let me know if you have any questions.

Kindest Regards,

State Election Board

Hello Danny Martinez,

We understand that you maintain your request is narrowly crafted to comport with the Open Records Act. However, as you should be well aware, we cannot control how many records we will have to review based on ***your*** stated parameters.

With your reduced parameters, there are about 30-40 emails to review. Some of the emails I've seen will be exempt due to attorney-client privilege. Extra time will be needed to have the 5 board members search their personal emails for responsive records.

As of right now, the estimated time and charges would be for 7 hours' worth of work, a total of $188.30. This estimate is subject to change depending on how long it takes to find whether responsive records exist. If there are any changes to this amount, we will notify you immediately.

If you would like to proceed as is, or if you would like to narrow your request, please respond to this email by 5:00 p.m. EST on July 15th, 2026. If we do not receive a response by that time, we will close this case, and you will need to submit a new Open Records Request.

Kindest Regards,

State Election Board

Dear Amici,
Attached is the signed Amicus Brief submitted to Judge Boulee on March 25, 2026, for your records. The amicus is in support of the Department of Justice and its authority to keep the Fulton 2020 General Election documents and ballots for investigation.
The last 3 pages are duplicates of the last three pages. :) In my haste to get this to the Clerk by 4pm, my admin assistant (me) was having a conflict with the uncooperative scanner (Canon) and the supervisor (me) missed the double print. I would recommend this as required double reading for Fulton's lawyers Abbe Lowell and Norm L. Eisen.
In any event, the concluding paragraph needs repeating for the good of the nation.

Thank you all so very much for your support, encouragement, and steadfastness in seeking answers and the truth.
Best regards,
Jan
