Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 et seq.), American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following within three business days:

1. All calendars or calendar entries for Carolyn Roddy, including any calendars maintained on her behalf.

   American Oversight requests that the calendars be produced in a format that includes all invitees, any notes, and all attachments. Please do not limit your search to electronic calendars; we request the production of any calendar — paper or electronic, whether on government- issued or personal devices — used to track or coordinate how the Carolyn Roddy allocates her time on board business.

   This search should include any calendars associated with Carolyn Roddy's accounts, as well as any official calendars maintained for her, including by an aide, assistant, or scheduler.

2. Records reflecting any ethics waivers, waivers of conflict of interest, conflict disclosures, and/or financial disclosures, whether formal or informal, proposed or completed for Carolyn Roddy.

3. Any resume or curriculum vitae provided by the Carolyn Roddy to the State Election Board.

   We have no objection to the redaction of contact information (addresses, telephone numbers, e-mail addresses) or past salary information for Carolyn

Roddy. Employment, education, and professional association information is not exempt, and we object to any redactions of such information.

Please provide all responsive records from April 1, 2026, through the date the request is received.

Please notify American Oversight of any anticipated fees or costs in excess of $100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.

- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Open Records Act.[1]

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this

[1] O.C.G.A. § 50-18-70(b)(2).

request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
