AMERICAN OVERSIGHT

Please note that Open Records requests requiring more than 15 minutes to process will incur charges, including cases where no responsive records are found. There may be instances where responsive documents exist but are exempt from production due to the documents pertaining to cases currently under investigation, per O.C.G.A. § 50-18-72(a)(4).

Based on the parameters you provided, we will need more time to review all calendar related materials from 04/01/2026 - 08/25/2026. Estimated costs for the production of this request are $53.80.

We have released a redacted copy of Carolyn Roddy's resume on this file. Please let us know if you're able to access it.

If you would like to proceed as is, or if you would like to narrow your request, please respond to this email by 5:00 p.m. EST on September 11th, 2026. If we do not receive a response by that time, we will close this case, and you will need to submit a new Open Records Request.
